**WHAT IS SHRM?**

Founded in 1948, the Society for Human Resource Management (SHRM) is the world’s largest HR membership organization devoted to human resource management. Representing more than 275,000 members in over 160 countries, the Society is the leading provider of resources to serve the needs of HR professionals and advance the professional practice of human resource management. SHRM has more than 575 affiliated chapters within the United States and subsidiary offices in China, India and United Arab Emirates. [Visit us at shrm.org](http://shrm.org).
THE VALUE OF MAINTAINING YOUR CREDENTIAL

Because the HR profession is constantly changing and evolving, it is important for certified professionals to continually update their HR competencies and knowledge. Achieving certification as a SHRM Certified Professional (SHRM-CP℠) or SHRM Senior Certified Professional (SHRM-SCP℠) is the first step. Recertifying demonstrates your commitment to the profession, to your organization, and to yourself through lifelong education and professional development.

The SHRM Body of Competency and Knowledge™ (SHRM BoCK™) is the basis for the new SHRM credentials. The SHRM BoCK, which draws heavily on the SHRM Competency Model, describes the Behavioral Competencies and functional Knowledge needed for effective job performance. In other words, the SHRM BoCK explains what HR professionals need to know, and how they must apply this expertise to perform effectively in the workplace.

HR professionals obtain recertification by engaging in professional development activities that relate to the Behavioral Competencies and Functional Areas of Knowledge identified in the SHRM BoCK. The incorporation of competencies into the SHRM BoCK greatly expands the range of activities that will qualify for Professional Development Credits (PDCs).

By encouraging HR professionals to continually enhance their competency and expertise, the SHRM recertification program increases the value of the SHRM credentials to the HR profession and the business community at large. By embodying the twin aspects of modern HR practice, Competency and Knowledge, the SHRM-CP and SHRM-SCP represent the new standard of HR certification.

RECERTIFICATION REQUIREMENTS

SHRM-CP or SHRM-SCP CREDENTIAL HOLDERS MUST:

- Earn 60 Professional Development Credits (PDCs) within a 3-year recertification period that ends on the last day of the credential holder’s birth month
  - or
- Retake the certification exam at the end of the 3-year recertification period.
QUALIFYING ACTIVITIES

SHRM-CP and SHRM-SCP credential holders qualify for recertification credits by participating in professional development activities that relate to the SHRM BoCK. The SHRM BoCK describes eight Behavioral Competencies, one Technical Competency (HR Expertise), and 15 Functional Areas of Knowledge, grouped into four general Knowledge Domains. Figure 1 provides an overview of the SHRM BoCK.

The SHRM BoCK greatly expands the scope of professional development activities that will qualify for recertification credit. By including Competencies in the SHRM BoCK, many educational programs not directly tied to human resource management will qualify for PDCs. For example, leadership programs build proficiency in the Leadership & Navigation Competency, courses in statistics expand capabilities in the Critical Evaluation Competency, and business education offerings promote the Business Acumen Competency. All would be eligible for PDCs. Broadening the scope of eligible recertification activities will help individual HR professionals strengthen their core skills, while contributing to a stronger HR profession.

CATEGORIES OF PROFESSIONAL DEVELOPMENT CREDIT (PDC)

SHRM has addressed the needs of HR professionals by creating three avenues by which SHRM-CP and SHRM-SCP credential holders earn recertification credits: **Advance Your Education**, **Advance Your Organization** and **Advance Your Profession**. These categories parallel the SHRM BoCK’s three main elements of **Effective Individual Performance**, **Successful Business Outcomes**, and **Advancing the HR Profession**, respectively—further evidence of the relevance of these credentials to the contemporary practice of HR.

ADVANCE YOUR EDUCATION
(No PDC maximum for instructor-led activities, 30 PDCs maximum for self-paced activities, per 3-year recertification period)

SHRM recognizes the value of professional development through lifelong learning, as well as the need for different learning formats suited to individual professionals. Both instructor-led and self-paced continuing education activities qualify for recertification credit, and are described separately below.

INSTRUCTOR-LED ACTIVITIES
(No PDC maximum)
Includes conferences, seminars, college/university courses and e-learning.

CONTINUING EDUCATION
(No PDC maximum)
Qualifying continuing education programs must be related to HR Competencies and Knowledge Domains consistent with the SHRM BoCK. You may earn all of the 60 PDCs required within the 3-year recertification period through continuing education activities.

Calculating PDCs
The number of PDCs for continuing education activities is calculated based on the actual educational time spent in the program.

Examples:
›› 1-hour educational program = 1 PDC
›› 1-hour-and-15-minute concurrent conference session = 1.25 PDCs
›› 3-hour e-learning course = 3 PDCs

CONTINUING EDUCATION UNITS & CONTINUING LEGAL EDUCATION
(No PDC maximum)
SHRM recognizes programs for which the International Association for Continuing Education and Training (IACET) has awarded continuing education units (CEUs). Per IACET guidelines, 1 CEU is awarded for every 10 hours of classroom time. SHRM also recognizes Continuing Legal Education (CLE) programs.

Calculating PDCs
The number of PDCs per IACET CEU-awarded program is calculated as follows:
›› 1 CEU = 10 PDCs
The number of PDCs per CLE program is calculated as follows:
›› 1 CLE = 1 PDC
ADVANCE YOUR EDUCATION

COURSES TAKEN FOR DEGREE PROGRAMS
(No PDC maximum for graded courses, 10 PDCs maximum for ungraded courses, per 3-year recertification period)
You may earn recertification credit by taking an undergraduate or graduate course from an accredited college or university. You must earn a grade of C or better in the course to receive recertification credit.

For audited, ungraded or non-credit-hour courses, one audited course equals 10 PDCs, the maximum permitted per 3-year recertification period.

Qualifying content need not be related to an HR-specific Knowledge Domain, but must align with the SHRM BoCK. (Courses in leadership, statistics, or communications, for example, are potentially eligible for PDCs as they relate to HR Competencies.)

**Examples:**
›› Statistics course (relates to Critical Evaluation Competency)
›› Communicating Effectively in Organizations seminar (relates to Communication Competency)

**Calculating PDCs**
The number of PDCs per degree-program course is calculated as follows:
›› Semester system: 1 credit-hour = 15 PDCs
›› Trimester system: 1 credit-hour = 12 PDCs
›› Quarter system: 1 credit-hour = 10 PDCs

**Example:**
›› 3-credit-hour trimester course on Transformational Leadership
  (3 x 12) = 36 PDCs

CONFERENCES & SEMINARS
(No PDC maximum)
You may earn recertification credit by attending conferences and seminars that relate to HR Competencies and Knowledge Domains, as outlined in the SHRM BoCK. You may earn all of the 60 PDCs required within the 3-year recertification period through conferences and seminars.

**Calculating PDCs**
The number of PDCs for concurrent sessions at conferences and seminars is calculated based on the actual time spent in the session. Credit is not awarded for time spent in the exhibit hall or on meals or breaks. Professional development programs held during working lunches are acceptable as long as the program is a minimum of 1 hour in length.

There are no limits to how many recertification credits can be obtained by attending conferences and seminars. SHRM-CP and SHRM-SCP holders can obtain all 60 recertification credits by attending conferences and seminars.

E-LEARNING: INSTRUCTOR-LED
(No PDC maximum)
Instructor-led e-learning programs require some interaction with the instructor and other students. Time and location may be specific or flexible. There is no PDC maximum for this type of e-learning.

E-LEARNING: SELF-PACED

›› A brief description of the project, including your level of involvement and the time you spent on each initiative involved.
›› How stated goals were met or supported.
›› Which HR Competencies applied and how they were advanced to achieve the project goals.

Calculating PDCs
A qualifying work project will fall into one of two categories, in which the number of PDCs is calculated as follows:

›› 100+ hours of time spent on the project over a period of 6+ months = 20 PDCs

Example:
›› Researching, designing and implementing a new compensation program (related to Relationship Management and Critical Evaluation Competencies)

or

›› 50+ hours of time spent on the project over a period of 3+ months = 10 PDCs

APPLYING FOR RECERTIFICATION

SUBMITTING YOUR RECERTIFICATION CREDITS
As a certified SHRM-CP or SHRM-SCP, you will have an online portal at shrmcertification.org/portal and be able to track your PDCs throughout your 3-year recertification period ending on the last day of your birth month. Once your recertification application is complete and has been approved, your next 3-year recertification period will begin from your existing end date.

If you complete your recertification cycle early, your end date will not change, but any unused or subsequent professional development activities completed within your current certification period cannot be carried over to the next.

**Example:**
- Initial certification period: May 2015 (took exam)–July 2018 (birth month)
- Recertified: December 2017
- Next 3-year recertification period: July 2018–July 2021

RECERTIFICATION APPLICATION FEE
SHRM Members = $100
Nonmembers = $150

The application fee is nonrefundable, whether or not your application is approved.

RECERTIFICATION BY EXAMINATION
You have the option to maintain your SHRM-CP or SHRM-SCP by retaking the certification exam. If you choose to do so, you must:
- Take the exam at least 1 year into, and before the end of, your 3-year recertification period.
- Recertify only at the certification level you currently hold.
- Complete the exam application process.
- Pay the full examination fee.

AUDIT PROCESS
In order to protect the integrity of the SHRM-CP and SHRM-SCP certification program, SHRM will audit a percentage of recertification applications. It is important to document your professional development activities and retain these records for up to six months after the end of your 3-year recertification period. If you are audited, you will be required to verify, with supporting documentation, the activities and PDCs listed on your recertification application.

Your SHRM-CP or SHRM-SCP credential may be revoked if you are unable to provide supporting documentation when audited, or if you do not meet the 60-PDC minimum per 3-year recertification period. (Supporting documentation is not required unless you are chosen for audit.)
APPLYING FOR RECERTIFICATION

LATE SUBMISSION
Recertification applications are due three years from the date of certification, on the last day of the credential holder's birth month. Every effort should be made to recertify within that timeframe. Should you fail to enter your PDCs into your online profile by your recertification end date, you will have 60 days to do so before your credential expires. You may not use the 60-day grace period to accumulate PDCs. A $100 nonrefundable late fee will be applied, in addition to the recertification application fee, at the time of submission.

HARDSHIP EXTENSION STATUS
SHRM recognizes that extenuating circumstances may prevent a credential holder’s attainment of 60 PDCs within the 3-year recertification period. In those instances a SHRM-CP or SHRM-SCP may apply for a hardship extension status. This request must be made in writing at least 30 days before a credential holder’s recertification end date. An explanation of the hardship must be included in the request. Examples of hardship include, but are not limited to, serious personal illness, serious illness of a family member, long-term unemployment, and military deployment for an extended period of time.

If SHRM approves the hardship extension, your certification will be extended for up to 12 months. During hardship status, you may not use the credential after your name until you complete your PDC requirements within the extension period. The credential holder’s certification period end date will not change upon reinstatement to active status. Hardship extension requests may be sent to certification@shrm.org.

EXPIRED STATUS
The certification of a credential holder who does not submit a recertification application by the late submission date, who does not comply with an audit, or who does not complete the required PDCs within the approved 1-year hardship extension period, is considered expired. This status means you are no longer certified. To become certified again, you must begin a new application process, pay the required exam fees and retake the exam.

RETIRED STATUS
A credential holder who is actively certified and retires from the profession may apply for retired status. A credential holder who plans to continue doing part-time HR work (i.e., consulting, teaching) is not considered retired and is not eligible for retired status.

Credential holders who have retired from the HR profession and hold a retired status must add the word (Retired) in parentheses after their earned designation, SHRM-CP or SHRM-SCP. A retired status credential holder will not be required to submit recertification credits.

LIFETIME CERTIFICATION
Credential holders with “lifetime” status from the HR Certification Institute who obtain the SHRM-CP or SHRM-SCP will be required to recertify every three years.
SHRM PREFERRED PROVIDER PROGRAM

SHRM has established the SHRM Preferred Provider Program to allow chapters, state councils, colleges, universities, education and/or training providers, and other organizations to award PDCs for their programming, without pre-approval by SHRM. This removes the guesswork over which activities meet recertification requirements.

To find out how your organization can become a SHRM Preferred Provider, please e-mail preferredprovider@shrm.org or visit shrmcertification.org for more information.
