

SHRM Education COVID-19 Statement

We hope that you and your loved ones are staying safe and healthy during this unprecedented time. As the U.S. and the world contend with the outbreak of the novel coronavirus (COVID-19), on behalf of the entire SHRM team, we send heartfelt thoughts to all those affected around the globe and in the HR community.

With numerous upcoming in-person SHRM Educational Programs, we remain hopeful to hold these programs as planned. Should these scheduled programs move forward, we will ensure the fullest precautions are taken to protect the well-being of our attendees, working closely with public health officials, the venue and our staff. We will continue to monitor this situation daily and will make future adjustments as the situation warrants, notifying attendees promptly of any change.

Best regards,
The SHRM Education Team
