SHRM Certification

Join the growing number of professionals seeking to meet and exceed the higher expectations of HR in today's complex global economy.

The SHRM Certified Professional (SHRM-CP) and SHRM Senior Certified Professional (SHRM-SCP) certifications address the role HR professionals have in leading organizational success. Based upon a core set of competency and knowledge clusters—principles outlined in the SHRM Body of Applied Skills and Knowledge® (SHRM BASK®)—the SHRM-CP and SHRM-SCP illustrate to employers that holders of these certifications think strategically, perform effectively, and are able to implement practices for optimal organizational efficiency.

The SHRM-CP and SHRM-SCP exams have been accredited by the Buros Center for Testing, ensuring that these HR certifications meet the highest standards in testing.

Visit shrm.org/certification for details on testing locations, pricing, and the application process. For corporate pricing options, email CorporateCertifications@shrm.org. 💰

Application and Testing Windows

SHRM certification accepts applications between Jan. 3 and mid-May each year for the May 1 through July 15 testing window.

For the Dec. 1 through Feb. 15 testing window, the application period is June 3 through mid-December.

- **Option 2:** Retake the certification exam within the final year of their recertification cycle.

Recertify via PDCs by engaging in professional development activities that relate to the behavioral competencies and HR knowledge identified in the SHRM BASK.
